

Dear Parents, Teachers, Staff Members, and Community Members,

The Canajoharie Central School District provides an excellent academic program and first-rate facilities for your students. But there are many “extras” the students enjoy that only happen because of the PTA. Without the PTA, for instance, there would be no School Picture Day.

The success of Canajoharie’s PTA relies heavily on its membership. For just \$5, you can support the PTA and become a member.

The PTA invests thousands of dollars in enrichment grants and special projects for Canajoharie students, grades K through 12, including:

- ~ The Reflections Art Program
- ~ Post-Prom Party
- ~ Music Department trip
- ~ The Yearbook
- ~ Writer’s Conference
- ~ Guest lecturers
- ~ Recycle Regatta
- ~ Kindergarten t-shirts for graduation
- ~ 5<sup>th</sup> grade breakfast

Funds are raised through \$5 membership dues and by hosting School Picture Day, Open House Book Fair, a triennial fund-raising sale, and clipping Box Tops for Education.

Membership does not require participation in meetings and events, but the PTA meetings are open to all and we are glad to be seeing many new faces this year. Volunteers for events are always needed. Many hands make light work, and among friends it doesn’t seem like work at all.

PTA meetings are held once a month at 6:30 p.m. in the Elementary Library, unless otherwise noted. Meeting dates are listed on the school calendar and at [www.canajoharieschools.org](http://www.canajoharieschools.org).

Please support us by joining. Complete the membership form and send it back to school with your dues of \$5.00. Checks can be made out to Canajoharie PTA. Thanks for your support.

Sincerely,  
Kellie LaCoppola  
Membership Chairperson
